

## **PUBLIC ANNOUNCEMENT**

Due to the collapse of part of a bridge on the motorway A6 and due to traffic limitations on motorway A26, road accessibility to Genoa and to the surrounding area will be significantly hampered, on temporary basis. In consideration of the above, Aeroporto di Genova S.p.A. is willing to provide financial support to air carriers which are ready to contribute to the mitigation of the current contingency situation by launching promotional initiatives to fly to and from Genoa Airport. Such incentive will be paid to air carriers operating at the airport, for each additional adult passenger departing from Genoa, on the same routes and when compared to the same period of the previous year. The incentive scheme will be effective from the date of subscription of the relevant contract until the end of the IATA Winter Season 2019/2020.

The amount of the incentive will be 8 Euro adult departing passenger (4 Euro for the air carriers which are signatories of a Traffic Development Agreement with Aeroporto di Genova S.p.A.).

Interested carriers are requested to contact [rosa@airport.genova.it](mailto:rosa@airport.genova.it) (Mrs. Veronica Rosa), indicating the routes on which they intend to join the initiative.
