

GENOVA CITY AIRPORT

YOUR GATEWAY TO THE ITALIAN RIVIERA

Italian Riviera A centuries-old history of tradition and beauty

Genova City Airport is located in very heart of the Italian Riviera.

From there you can reach beautiful and world-famous places like Sanremo, Portofino and the Cinque Terre.

It is also a short hop by helicopter to Monaco and the Cote d'Azur, as well as Sardinia and Porto Cervo.

Genova is a city full of beauty and charm, home to high-tech companies and world-renowned shipyards. The most stunning yachts in the world are built and refurbished there.

Genova City Airport is the gateway to these beauties, to the most exclusive and fancy locations, to amazing flavors and colors.

Our mission is to honor a centuries-old history of tradition, innovation and wonders, making your arrival and departure from the airport a seamless and rewarding experience.

The airport was established in 1962. Since then we have been connecting the world to Genova and to our Liguria Region. Over the years, we have learnt how to take care of passengers, crews and aircraft.

Private and Business Aviation is where we have grown the most, in numbers and quality of service, by devoting all our attention and skills to the satisfaction of our guests.

By choosing Genova City Airport for your private flight, you will choose the best that the Italian hospitality can offer.

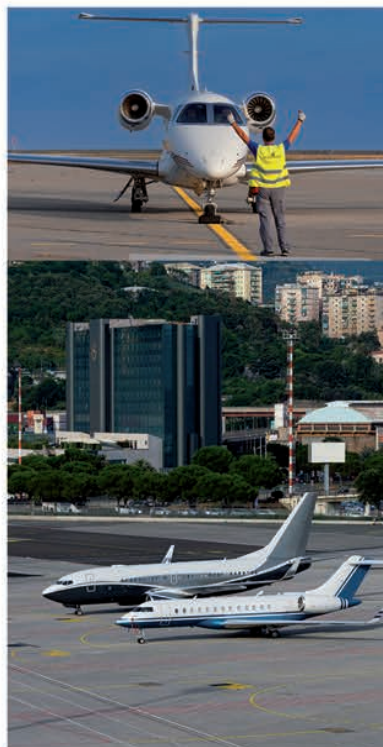

The perfect base

Genova City Airport is the gateway to the Mediterranean Sea and its beauties. Just ten minutes by helicopter to Portofino and few tens more to Monaco.

Corsica, Sardinia, Rome and Naples are less than one hour's flight away.

Its strategic position, combined with the high number of aircraft stands together with the range and the quality of airport services makes Genoa City Airport the perfect base for an unforgettable experience discovering the most beautiful pearls of the Mediterranean Sea.

Our services 24/7
We are not an FBO, we are the sole
Airport and Handling operator

Any aircraft, including the largest wide body airplane, can land and take off from the Genova City Airport where a dedicated Business & Private Aviation Team will supervise all the ground services.

We are an all-round contact point 24/7, able to respond to every request and need from PPR to the departure of the outbound flight.

We provide all airport services on arrival, transit and departure, including assistance to passengers and crews for the clearing of customs and border police formalities.

Together with our business partners, we can arrange hotel accommodation and passenger/crew transfers.

We offer passengers and crews access to an exclusive Lounge at APRON level.

We are aware of the importance to anticipate needs and respond in real time to any change of schedule, combining quality of services and operational efficiency. For example, in case the guests require and helicopter transfer to a private yacht or to the final destination of their journey we routinely park the incoming aircraft and the helicopter side by side in order to facilitate the airport transit.

Thanks to the privileged relationship with selected business partners, we are able to offer the best Italian cuisine, with top-quality products, cooked and packaged in accordance with well-established inflight catering procedures.

Our guests will dine at 40.000 feet as if they were at the most prestigious gourmet restaurant.
